Storyland: A Family Literacy Festival

*for Alameda County children entering pre-kindergarten (pre-K),
transitional kindergarten (TK), or kindergarten (K) in the fall,
and up to two accompanying adults*

Research shows that high-quality early childhood education promotes pathways to success, from preschool to college and career. For this reason, we are hosting our second annual family literacy event!

Adults will:

- Learn ready-to-use strategies to promote a **love for reading** and combat "summer slide" (when some skills learned during the year are forgotten)
- Receive **resources** on how to access **free books** through local libraries and online

Early learners will:

- Experience **interactive read-alouds** based on favorite stories--in English, Mandarin, and Spanish
- Receive **books, activities, and raffle prizes**

Everyone will enjoy breakfast or lunch on us (depending on the session)!

Registration is required. Limit 2 adults per child; choose between Session 1 or 2.

Saturday, June 1, 2019

Session 1: 8:30–10:30 a.m. **OR**
Session 2: 11:00 a.m.–1:00 p.m.
